

Dear Friends and Community Partners,

We are thrilled to invite you to be a part of one of Lake Placid's most fun traditions! The Rotary Club of Lake Placid will host the **21st Annual Dam Duck Race on Saturday, September 19, 2026**, at **Lisa G's Restaurant** (6125 Sentinel Road, Lake Placid, NY). This small community gathering has grown into Rotary's largest annual fundraiser, and just as much a community "fun" raiser, bringing together families, neighbors, visitors, and local businesses for an afternoon of food, live music, family activities, and the famous duck race over the Chubb River. After a busy Lake Placid summer, it's the perfect chance to slow down and celebrate the season with friends and neighbors.

For more than two decades, the Dam Duck Race has raised money that goes directly back into our community. Through Rotary's fundraising efforts, we support literacy programs, the Community Ski Program, the local Food Pantry, Thrive & Thrift, the High School Robotics Team, youth leadership opportunities, roadside clean-ups, and our newest project, the Rotary Bark Park. A full list of our community projects is available on our website. **All net proceeds stay right here in our community.**

We invite you to join us as a sponsor of the 2026 Dam Duck Race and help us continue this important community tradition.

Event Highlights — September 19, 2026

- Event kickoff at 4:00 PM
- Kids Hula Contest at 4:30 PM; Adult Hula Contest at 5:30 PM

We are grateful for the generosity of our community partners. Whether your business has supported the Dam Duck Race for years or you are joining us for the first time, your investment goes directly back into the programs and people of Lake Placid.

Thank you for your continued support. We look forward to seeing you on the pond!

Warmly,

Lee Slocum, CJ Dates & Erin DeSantis
